

Applicants' previously-filed Declaration erroneously set forth a priority claim to application serial no. "60/138,198". That priority claim, which resulted from the above-mentioned typographical error, is incorrect and is hereby withdrawn.

It is respectfully requested that the Office update its records to reflect Applicants' corrected priority claim. If needed, the undersigned may be contacted at (408) 395-8819.

Respectfully submitted,

Date: October 13, 2000
